

GOAL!

Once you have your target in sight, you need exceptional players with sharp skills and proven performance to hit your goal.

Global Marine, one of the world's largest and most respected drilling contractors, also offers drilling project management services including daywork, performance incentives, integrated drilling services, and pure turnkey.

As the pioneer that proved the feasibility of offshore drilling, Global Marine keeps its eye on the ball — from building client trust and fostering long-lasting relationships to providing excellent safety conformance, consistent cost control, prudent risk management and superior drilling performance.

WHEN YOUR GOAL REQUIRES A
PROVEN WINNER ON YOUR SIDE,
LOOK TO GLOBAL MARINE.
