

Check-6 International Names Erich Stolz Chief Executive Officer

HOUSTON (March 17, 2016) - Check-6 International Inc., the leader in accelerating human performance, today announced that its board of directors has appointed Erich Stolz to the role of chief executive officer effective immediately. In his role, Stolz's top priorities are to accelerate the company's performance in its current target markets and advance the company into new verticals. Laura Owen, Check-6's interim chief executive officer, will continue her role with the company as a member of the board of directors.

Stolz has extensive senior leadership experience garnered from his work with world-class businesses. He joined Check-6 from Tatum, where he was a partner for the professional and interim chief financial officer/chief executive officer services firm.

Prior to Tatum, Stolz held several successful leadership roles with Mundy Companies, Hydratron, Muehlhan Surface Protection, American Management Advisors, A.G.I.V., Schott Process Systems and AEG – a division of Mercedes-Benz.

"We are delighted to welcome Erich to Check-6. He brings senior experience and proven leadership skills in large international business, and has consistently succeeded in driving performance and growth in his career. We believe Erich has the skills and vision to continue Check-6's growth and lead us to the next level," said John Dillon, chairman of Check-6. "We also want to recognize and thank Laura for her many contributions to lead the company and start expanding our business into other industry sectors. We are pleased she will remain a valued member of the Check-6 team."

"Check-6 is a unique business and I'm very excited to be joining the company," said Stolz. "I look forward to working with the entire management team to accelerate growth and further our business objectives in the future."

Stolz is a Certified Board Director, Certified Turnaround Professional, Certified Fraud Examiner and Certified Controller. He is a current or previous board member of several industry associations including most recently the Executive Service Corps of Houston. Stolz earned a Bachelor of Arts degree in accounting and finance from Elmhurst College, an MBA from Marquette University and a Master's degree in engineering management from Drexel University.
